Applewood Smoked Bacon Wrapped Beef Top Sirloin Filets 16/5 oz

Product Description - Enjoy your favorite high-end steakhouse meal at home with our Rock River Applewood Bacon Wrapped Top Sirloin 5oz. Steaks. Made with USDA Choice Graded Beef and specially selected for their superior flavor and exceptional tenderness. Aged for a minimum of fourteen days, which results in the incredible texture you would only expect from the very best. Each 5 oz. steak offers a powerhouse of protein, providing half of your daily value at 27 grams per steak. Beef is also a natural source of the essential nutrients you need, including vitamin B6, vitamin B12, zinc, niacin, selenium, phosphorous, riboflavin, and iron. Top sirloin steak is superior to sirloin steak because the bone, tenderloin, and bottom round muscles have all been removed, resulting in a leaner cut of meat with faint marbling without excess fat but does not take away from the rich, robust flavor. Each of our 5-oz. steaks are hand-trimmed for consistent cooking quality and individually vacuum-sealed to ensure freshness without preservatives. Cut from the primal loin, this lean and healthy steak ideal for grilling and pairs well with steamed vegetables and a glass of wine.
